Astoria
machine

technical data

The Astoria 1-group is a full size professional espresso cappuccino machine. With a large boiler, and available in either automatic or semiautomatic models, it stands up to the most demanding operation. The 1-group comes in variety of colors: Winchester Gray, Sponged Multicolor, Rose, Stainless Steel and Copper, or Stainless Steel and Brass. This version continuously brews coffee by push button, which controls the group and determines the coffee dosage.
