

# the **AEP 2** Semiautomatic product

the original  
**Astoria**  
machine

technical data

The Astoria AEP 2-group semiautomatic espresso/cappuccino machine, known for its reliability and affordable price, is the choice of many fine traditional Italian and French restaurants. The AEP 2-group is available in: Winchester Gray, Sponged Multicolor, Rose, Stainless Steel and Copper, or Copper and Brass. This version continuously brews coffee by push button, which controls the group and determines the coffee dosage.

Suggested price  
as low as  
**US\$ 5,050.00**
