

# the **SAE 2 Automatic** product

the original  
**Astoria**  
machine

technical data

The Astoria SAE 2-group automatic espresso/cappuccino machine is engineered for both ease of use and upkeep. Recognized worldwide for its reliability and performance, the most popular Astoria machine in America is available in: Winchester Gray, Sponged Multicolor, Rose, Stainless Steel and Copper, or Copper and Brass. A microprocessor controls operation, providing a volumetric measure of water for coffee brewing. The touch pad control can program 4 different coffee dosages, selecting them automatically and independently for each group. There is also a push button control for semiautomatic brewing.

Width 27 ½ in.

Depth 21 in.

Height 20 ½ - 24 ½ in.  
(Adjustable)
