

# ALUMINUM COOKWARE

## New!

Available in the broadest range of styles and sizes, and at a surprisingly affordable price — POLAR WARE aluminum cookware is an exceptional value.

POLAR WARE's extensive line of aluminum cookware features the heavy duty construction and superior heat distribution demanded by professionals.

This outstanding collection of fry pans, sauce pans, sauté pans, stock pots and braziers is quality manufactured for the long haul, using durable aluminum, time-proven deep draw techniques and meticulous hand finishing and inspection.

### **Slip-On Cool Handle.**

POLAR WARE pans feature a comfortable, slip-on handle cover that is heat resistant to 435°— providing protection from the heat and a secure grip.

Features riveted handles for easier lifting.

This advanced non-stick coating is a three coat system. Convenience, plus added durability for long-lasting non-stick performance.

### **POLAR WARE 3003 Aluminum Cookware**
