

# FOOD PREPARATION AND STORAGE

Life in the kitchen is a whole lot easier when you have the right tools for the job. That's why you'll appreciate POLAR WARE's wide selection of food preparation, serving and storage products — from heavy duty mixing bowls to kitchen utensils and storage canisters.

The perfect storage vessel, our Bain Marie pots are made from stainless steel for corrosion-resistance and are deep drawn for extra strength. Recessed covers offer secure, convenient stacking.

A. BAIN MARIE POTS

POLAR WARE's distinctive shoulder design allows these stainless steel insets to fit more securely in food wells. Clean-up is easier. Durable construction for long-lasting performance. Matching covers also available.
